

The Association for Women in Mathematics
University of Kansas Student Chapter

Everyone is Invited!

Tuesday, March 3, 2015

4:15 PM

306 Snow Hall

Conversation with a Philosopher of Mathematics

Eileen Nutting, Department of Philosophy

Eileen Nutting started her undergraduate career as a math major, and later added a second major in philosophy. As a graduate student at UCLA, she discovered that she could combine her two undergraduate majors by studying the philosophy of mathematics. She continues to do research in this area, and is now an assistant professor of philosophy at KU.

Pizza will be served!
