

AWM Meeting

Monday October 13, 2008

Conference Discussion:

Proposed Dates: Saturday April 18th or April 25th

This would be after Passover and Easter. Will need to confirm with Gloria to make sure the MAM (Math Awareness Month) student competition has not been set.

Proposed Times: 9am – 3pm or 9am – 4pm

We would like to provide lunch. This will allow people a chance to visit and get to know others. Maybe include a topic for discussion (maybe how to increase involvement in AWM?)

Proposed Speakers:

Claire Tomlin from Stanford University

(<http://sun-valley.stanford.edu/~tomlin/>)

Possibly have Professor Pasik-Duncan contact her

Lai-Sang Young from New York University

(<http://www.agnesscott.edu/Lriddle/women/lasyoung.htm>)

Professor Stawiska would contact her

Professor Ghazaryan was unable to attend but suggested

Barbara Keyfitz from the University of Houston

(<http://www.math.uh.edu/~blk/>)

Suzanne Lenhart from University of Tennessee

(<http://www.math.utk.edu/~lenhart/>)

Proposed Attendees:

Winners of High School MAM Competition (top 3 female and male)

AWM Chapters from University of Chicago, Northwestern, University of Illinois at Chicago

SIAM Chapters in the Area?

Proposed Formats:

Schedule each Chapter a block of time (1 hr?) for which they are responsible for activity.

Examples would include student and/or faculty presentation, discussion of a topic, etc

Proposed Name: Check with Professor Pasik-Duncan

Website: Jyoti Saraswat will be talking with the website designer from last year to hopefully it updated soon. If interested in helping you can contact her at jsaraswat@math.ku.edu
